

Estimate and Renovation FAQ

Q: How do I book an estimate for a renovation from Dynasty Bathrooms?

A: Visit our showroom at 369 Logan Avenue and speak with our design consultants. Bring basic measurements (size of room, vanity length, toilet rough-in location) and photographs if possible, so we have an idea of the space we'll be working with. We'll show you many styles and options available to suit your space and have an idea of what your budget may be. Once we have a few basics taken care of, we'll book an appointment for one of our estimators to visit your home and later provide you with a written quote for your review.

If you're still in the early stages of planning and could use some guidelines or information, consider downloading our Reno Checklist! This handy guide will help you with planning and budgeting.

Q: Why do I have to come to the showroom first? Can't you bring catalogues and show me the products you sell?

A: We sell products from over 50 different manufacturers, in a wide range of prices and designs. We ask our clients to visit the showroom in advance so that we can get a basic idea of what their needs are and what they are planning on spending on a project. Without this information, we cannot accurately predict what your renovation will cost.

Q: How do you calculate labour costs?

A: Our labour costs are comparable to those of our competitors in Winnipeg, and are include in our estimate to you based on our estimators value of the work required to professional fulfill our standard of work. We are committed to service, quality workmanship and professional installation. You also receive:

- Two-year warranty on labour;
- Licensed and Bonded installers with decades of experience;
- An accredited company with over 30 years in business; and
- Excellent after-sales service.

Q: What about small jobs, like installing a new vanity or faucet?

A: We do small jobs too! Toilets, vanities, lighting, flooring...you name it, we can install it! For piece work, we typically charge by the hour instead of quoting a flat rate, with the exception of toilet installations.

Q: Do you offer design consultations?

A: Absolutely! We offer FREE Design Consultations with our knowledgeable associates. We recommend calling ahead of time and setting up an appointment. After-hour appointments also available.

Q: I purchased products elsewhere, will you install something that wasn't purchased through Dynasty Bathrooms?

A: We will install products from other suppliers; however any and all warranty claims must be done through the original supplier. Dynasty Bathrooms is not responsible for defects, leaks or other issues with products purchased elsewhere.

NOTE: If you have purchased products in the USA (from Menard's, Lowe's, etc), keep in mind that in many cases the warranty is null and void once it crosses the border.
