

Verdera®

voice lighted mirror with Amazon Alexa

K-99573-VLAN

Features

- Well-designed seamless integration of Amazon Alexa minimizes clutter and delivers optimal interaction.
- Amazon Alexa-enabled so you can ask to play music, hear the news, check weather, control smart home devices, and more.
- Integrated stereo sound system fills the room with complete sound quality.
- Microphone built in for voice control interaction.
- Voice control of optimally bright task lighting on/off, brightness, and sound volume.
- 2200 lumen brightness* ensures consistent lighting with no hot spots or dark spots.
- Approx. 3000 kelvin* light appearance delivers a neutral light ideal for overall bathroom aesthetics as well as tasks.
- Greater than 90 CRI* lets you see yourself in the truest light for makeup application, grooming, and skin care.
- High-efficiency LED achieves over 65 lumens/watt*.
- Integrated LED bulbs have an estimated life expectancy of 36,000 hours.
- Down-firing way-finding light brightens via proximity sensor.
- Compatible with wall-mount LED dimmers (not included), which allows you to control lighting from multiple locations in the room.
- Pivoting side panels allow you to direct light and to view your profile.
- Syncs with devices enabled with BLUETOOTH® wireless technology including smart phones, MP3 players, tablets and laptops located up to 33 feet away.

Material

- Anodized aluminum construction with a durable rust-free and chip-free finish.

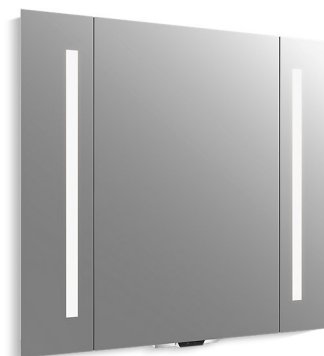

Installation

- Includes mounting hardware for surface installation.
